For more than 40 years, our company has been dedicated to the craft of precision leather hardware, establishing itself as a reliable manufacturer of export-quality metal fittings in India. With decades of experience and a deep understanding of global market requirements, we serve leading brands across fashion, leather goods, saddlery, and luxury accessory segments worldwide.

Our extensive product range includes buckles, clasps, D-rings, O-rings, hooks, adjusters, sliders, and custom-designed fittings. Each component is engineered to deliver strength, durability, and flawless finishing, ensuring seamless integration with high-quality leather products. From minimalist functional hardware to refined decorative pieces, our collections are designed to enhance both performance and aesthetics.

At the core of our manufacturing process is a commitment to excellence. We combine traditional metalworking skills with advanced machinery, strict quality control, and international compliance standards. Every stage – from raw material selection and tooling to polishing, plating, and final inspection – is carefully monitored to ensure consistency and superior craftsmanship.

Understanding that each brand has its own identity, we offer flexible customization in design, size, finish, and plating to meet specific client requirements. This adaptability, coupled with dependable production capacity and timely deliveries, has made us a long-standing partner for global clients.

Our legacy is built on trust, precision, and continuous innovation. As we move forward, we remain committed to delivering leather hardware that reflects durability, refinement, and timeless quality – components crafted not just to function, but to elevate the finished product.
